The state of art educational Institution was established in 2002 by our beloved Sri. D.K Audikesavulu, Chairman, Srinivasa Trust and TTD Tirumala. The institution as an Undergraduate and Post graduate center focuses on quality health care and is well known for its excellent infrastructure, specialty and super specialty services.

The Department of Orthodontics & Dentofacial Orthopaedics under the able guidance of Dr. Chandralekha B., aims at establishing specific programme goals in the areas of Orthodontic education, Research, Patient Care and service/engagement.

It is indeed a great pleasure to invite you to participate in this interactive Continuing Dental Education Programme on " Protocols for Cleft Lip and Palate management- Orthodontic perspectives" & "Surgical Splints", which would give you an opportunity to witness and interact with the artisans of the luminaries in the field of Orthodontics.
