Dear Doctor

It gives me immense pleasure to invite all of you to this CME.

Quality as we all know is an ongoing process and quality improvement and continual quality improvement is the way forward.

Keeping this as the focal point, this CME has been arranged to cover the core quality aspects that are to be in place in a clinical laboratory set up .

Our guest speaker is none other than **STEN WESTGARD (Director of client services and technology for Westgard QC) from the west guard rules we all follow.**

I invite you join us for a truly rich learning and sharing experience.

Yours sincerely

Dr. A. Shailaja
