

CIRCULAR

It has been decided by the Management to re-start undergraduate MBBS classes with effect from 01-12-2020. In this connection, the following instructions to be followed strictly;

1. The students of 1st MBBS to final MBBS will attend physically the practical / clinical classes as per the time table prepared by the concerned HOD's.
2. Before attending the classes, they should produce RT-PCR test report conducted within 03 days of arrival and should be tested Negative for attending classes. Students who are tested Positive should follow Quarantine of two (02) weeks at home or isolation in the Hospital and report to this office only when they are tested Negative. They should also produce No Dues from accounts department.
3. Parents of the students should invariably give a Consent Letter for permitting their student to attend physical classes.
4. All the students must invariably wear Mask and use Sanitizer and maintain social distancing norms while attending classes.
5. Students will continue to attend online theory revision classes as per the tie table prepared by the concerned department.
